

CHÂTEAU LA TOUR CARNET

The medieval Château La Tour Carnet, the oldest château in the Médoc, dates back to the 12th century and still features the original tower from 1120, surrounded by moats. It has passed through various illustrious hands since then, such as the family of Michel de Montaigne, the great French philosopher and two-times Mayor of Bordeaux. The first vineyards here were planted in 1407.
